[To Elder Figuhr and GC Committee \(7L-EF L2\)](#) – Oct. 1 Though we do not have the specific dates for *Letters 2-3* and *Davidian Questions and Answers*, they are dated by month and we can know they were written before October 22 since they refer to that date as yet future. [Davidian Questions and Answers](#) – Oct.

[To Elder Figuhr and GC Committee \(7L-EF L4\)](#) – Oct. 22

1957

[To Elder Figuhr and GC Committee \(7L-EF L7\)](#) – Feb. 22

1958

[The Stone](#) – Nov. 24

[The Stone: Summary 2](#) While this letter is not dated, the evidence indicates that it could have been published anytime from Nov. 24 – Dec. 31. The two facts that bear this out are 1) that it summarizes *The Stone*, which was published on Nov. 24 and 2) that it refers to 1959 as being “next year.” The only qualifier to this is if Ben Roden had the spring-spring scriptural calendar in mind, then it is possible the date could be pushed ahead as late as spring 1959.

1959

[The Fall of Assyria and the Liberation of the Saints](#) – March 16

[The Atonement and Passover Feast](#) – April 14

[Dear Fellow Believer](#) – Dec. 8

1960

[Dear Heritage of God](#) – Aug. 17

1961

[The Arm of The Lord](#) – March 27

[Blow Ye The Trumpet In Zion](#) – Sep. 10

Undated³ While these letters are not dated, we can infer certain a little about when they were written. One key is that the Branch headquarters changed from Odessa, Texas to Waco, Texas in in the spring of 1965 and literature dated to that time and after no longer uses the Odessa address. Since *The Healing of the Nations 2* used the Odessa adress, it must have been written before the spring of 1965. *The Healing of the Nations* was naturally written before its sequel and we know that *Jezreel Letters #1-2* were written before that since *Jezreel Letter #2* is quoted in *The Healing of the Nations*.

[The Healing of the Nations 2](#)
