

Shekinah Magazine

**Description**

*SHEKINAH* is a magazine edited and published by [Lois Roden](#) from 1980-1983. Its main topics were the femininity of the Holy Spirit and women in the ministry. It was a non-sectarian paper whose articles were written by scholars, researchers, theologians, archaeologists, and others from a variety of professional and religious perspectives.

“Articles and letters printed in the *SHEKINAH* do not necessarily reflect the views or beliefs of the Staff. The *SHEKINAH* is simply a sounding-board and explores all sides and all angles, and leaves the reader to choose, with the aid of the Spirit, that which is truth.” – *SHEKINAH Magazine*
